Student Digital Learning and Online Social Questionaire (Phase Two) - Years 3-4 - Part One

Welcome to the Developing in Digital Worlds student questionnaire and thank you for taking part. We want to find out how you go about using digital devices such as Netbooks, computers and/or tablets for learning. There are no right or wrong answers and we would like you to be as honest as you can when giving your answers.

CONFIDENTIALITY & DISCLOSURE STATEMENT
We want to reassure you again that your personal (identifying) information will be kept in a secure location separate from the main questionnaire data. Your answers are completely confidential, and no personal information such as your name or birth date will be shared with any other individual or agency.

Use Of Personal Information Collected
Any personal information you choose to provide will only be used for the purpose of the research project and will not be shared with other persons or organisation outside the University of Auckland.
